Amazon chief is the richest man in history

AMAZON founder Jeff Bezos has become the richest man in history with a personal fortune of an eye-watering £78.8 billion.

A 1.4 per cent rise in Amazon's share price made the New Mexico-born businessman £1bn richer on Monday alone.

His net worth grew by around £24bn in 2017, with the majority of it coming from the 78.9m shares he owns in his company.

Bezos, 53, was the first person to amass a 12-digit fortune since Microsoft founder Bill Gates – who has given more than £44bn to charity – achieved the feat back in 1999.

Gates, 62, who is reported to have a net worth of £68bn, would have been worth far more than Bezos had he had not given so much away.

Unlike Gates, Bezos has only recently started focusing on philanthropy.

Bats fall dead from trees in searing heat

HUNDREDS of bats have died in a scorching heatwave in Australia as the soaring temperatures "fried their brains", experts have said.

The mercury rose to 45C (113F) in Sydney's western suburb of Campbelltown on Sunday.

Wildlife officials said hundreds, if not thousands, of flying fox bats fell from trees after falling victim to the intense heat.

Campbelltown flying fox colony manager Kate Ryan said: "They basically boil... their brain just fries and they become incoherent."

KIM PREPARES FOR NUCLEAR HIT

NORTH Korea despot Kim Jong-un is preparing to **NUKE** the United States – and has even retreated to his own bunker in fear of retaliation.

The chubby madman, 34, thought to be suffering from a chronic kidney condition, has gone into hiding in advance of his ill-advised attack on the world's strongest nation.

Meanwhile President Donald Trump is preparing to bomb North Korea **FIRST** to "bloody the nose" of the barmy regime's

crackpot leader. His administration confirmed it is weighing up the pros and cons of a possible pre-emptive strike on the capital Pyongyang.

But the strike may do more harm than good – and could even start **NUCLEAR WAR** should Kim respond, as it's likely his few allies in China and Russia could also join in.

Trump's influential National Security Advisor Herbert R. McMaster is pushing for an attack. On Saturday, he said

Kim's nuclear weapons development "has been quicker and the timeline is a lot more compressed than most people believed".

He added: "We have to do everything we are doing with a greater degree of urgency, and we have to accelerate our own efforts to resolve the issue short of conflict."

Intelligence officials also said that chubby 34-year-old Kim was "young, inexperienced and distrusted by his military".

Soccer ace on leave in bully probe

FOOTBALL legend Peter Beardsley will take a period of leave while his club probes allegations of racism and bullying made against him.

It comes after the Newcastle Under-23s coach had discussions with the club.

Beardsley (above), 56, a former Magpies and England player, who has been in his current role since 2009, faces a number of complaints.

One, of bullying, has been made by 22-year-old academy midfielder Yasin Ben El-Mhanni.

A club statement said: "After discussions with Peter Beardsley this morning it has been agreed that he will take a period of leave, to commence immediately, whilst the club conducts its investigation into allegations made against him."

Beardsley made more than 300 appearances for his hometown club during a career that also included spells at Liverpool and Everton as well as his national team.

He categorically denies the allegations.

Cops hunt for missing skier

POLICE are searching for a British skier who went missing in "terrible weather" in the French Alps.

John Bromell, 39, from Willingham by Stow, near Gainsborough, Lincs, was last seen on the Paquis chairlift in Tignes at 4.30pm on Sunday.

Friends said they were concerned for his safety especially – because of the deterioration in the weather.

According to local reports, there was more than 3ft of snow in the resort on Monday, prompting a warning of avalanches.

French police said they have been hampered by the conditions but had now deployed a helicopter to try and locate Mr Bromell.

CHELSEA FC IN 'FRAUD PROBE' CALL

Liverpool Mayor calls for police investigation over Barkley transfer

MAYOR of Liverpool Joe Anderson has asked the police to investigate "whether any fraud has taken place" over Ross Barkley's £15million transfer to Chelsea.

The midfielder, whose contract was up at the end of the season, had been ready to join the London club in August for £35m but pulled out at the last minute.

And when he joined four months later the fee had dropped by £20m, prompting Anderson to demand a probe.

Concerned

In a letter to the FA he wrote: "The fee was believed by many, including myself, to be a good deal and was based on him having just a year left of his contract."

"This is a decrease in value of more than one million pounds a week. At best, this represents a very poor deal for Everton Football Club."

"At worst, it could be seen

By COLIN HURST
news@sundaysport.co.uk

as a deliberate attempt to drive down a player's value in the transfer market so as to benefit the player, his agent and the buying club.

"I am so concerned about the circumstances surrounding this transfer that I am asking the appropriate police authorities to consider whether any fraud has taken place."

Barkley joined Everton as an 11-year-old and rose through the academy.

During his time at the club, the 24-year-old played more than 150 games and was called up to the England squad.

A Chelsea source said: "This is nonsense. It's a business deal between two clubs who have no issues with it."

"This is nothing to do with the Mayor of Liverpool. Everton are run by professional people, they don't need him weighing in. Even if he is a fan."

SEX TOY MINISTER GETS BOOT

TORY MP Mark Garnier was sacked from his role as international trade minister, as Theresa May's reshuffle entered its second day.

The MP for Wyre Forest had previously admitted calling his secretary "sugar t'ts" and asking her to buy sex toys.

But a Cabinet Office investigation cleared him of wrongdoing and found there was no evidence that he had "breached the

expected standards of behaviour".

Mr Garnier said in a Twitter post he was "very sad" to have lost his job, but was "looking forward" to supporting the Prime Minister from the backbenches.

The father-of-three faced a probe after his former secretary, Caroline Edmondson, told a paper he gave her money to buy two vibrators at a Soho sex shop.

Ms Edmondson claimed MP told her one of the sex toys was for his wife and the other was for a female assistant in his West Midlands constituency.

On another occasion, he was alleged to have told her: "You are going nowhere, sugar t'ts."

Mr Garnier admitted the incidents took place, saying: "I'm not going to be dishonest. I'm going to have to take it on the chin."

Eight seized in massive human trafficking for sex police sting

EIGHT people were arrested following a series of raids by 150 police officers aimed at tackling human trafficking for sex.

The simultaneous raids in Stockton-on-Tees and Sheffield led to men being held on suspicion of conspiracy to rape, trafficking, blackmail and drugs offences.

Immigration officers were also involved in the major operation, which was sparked by a young woman from Teesside telling police she had been trafficked around the country and subjected to serious sexual offences, including rape.

Police smashed a door down at a terraced house in Stockton and questioned one man before leading him away in handcuffs.

It was one of seven properties in the town that were raided.

Assistant Chief Constable Jason Harwin, of Cleveland Police, said: "Clearly, to deploy 150 officers shows how seriously we take this."

"Human trafficking, the exploitation of the most vulnerable in our communities by the most ruthless, will not be accepted."

"Our message is clear, to victims in the case, there is hope. We are on your side, we can and will help you."

One officer was taken to hospital after the attack but the other two were not seriously injured.

The three officers arrested a 36-year-old man on suspicion of grievous bodily harm and assault on police officers.

PERVERT FILMED DOG LICKING CREAM OFF HER PRIVATES

VILE VID: Depraved sex act found on Cairns' mobile

A WOMAN filmed herself having sex with her DOG in a depraved act involving WHIPPED CREAM.

Police discovered the extreme bestiality video on Suzy Cairns' mobile phone.

Prosecutor Jim Robertson told Livingston Sheriff Court that the shocking movie "appeared to be self-generated involving the accused and her pet dog".

He said the animal that

Woman, 39, also had vile video on mobile

could be seen on the video – understood to be a Labrador – was present when the police raided Cairns' home in Livingston, West Lothian, in March last year.

It is understood Cairns used whipped cream during the sex act with her pet.

Cairns, 39, pleaded guilty to two counts of possessing pornographic material between February 2016 and April 2017.

She also admitted being in possession of "extreme

pornographic images depicting in an explicit way a female engaging in sexual activity with a dog".

Tagging

Her name was also added to the Sex Offenders' Register with immediate

effect.

Sheriff Peter Hammond called for a background report and an assessment of Cairns' suitability for tagging under an electronic curfew.

She will be sentenced in February.

CAB RIDE: Glendon took woman to a friend's house

EX MAN CITY STAR 'RAPED GIRL, 19'

She was too drunk to string a sentence together, court told

A FORMER Manchester City footballer is on trial accused of raping a teenager who was so drunk she was "incapable of stringing a sentence together".

A court heard George Glendon, 22, raped the young woman after meeting her at a nightclub in Cleethorpes, Lincolnshire.

The then 19-year-old, who cannot be named for legal reasons, was allegedly so intoxicated she was "repeatedly falling over" before Glendon helped her into a cab.

A court heard Glendon and the victim were driven to a friend's house, where he admits they had sex but insists the woman had consented.

The prosecution at Grimsby Crown Court contend the

woman was so drunk she was not in a position to decide and had been raped.

Midfielder Glendon, now at Fleetwood Town, played against Leicester City in the FA Cup on Saturday before his trial started.

He appeared in the dock wearing a dark suit, white shirt and a light blue tie.

The court heard the woman had consumed so much alcohol she could not remember what happened to her apart from that she ended

up in a man's bedroom with no clothes on.

She was "really drunk" and had earlier been "repeatedly falling over in the toilets" at a club, the trial heard.

Cider

Glendon had taken her to the home of one of his friends by taxi after helping her when she fell over in the Litehouse nightclub in the early hours.

Prosecutor Michael Morley said the woman, now 21, had been drinking wine and cider.

She went to the club after visiting other bars but had no memory of leaving it.

"She was a very drunk woman, falling over drunk," said Mr Morley.

A female friend had seen her "repeatedly falling over in the toilets".

The next thing the woman remembered was being in the bedroom of a man she did not recognise.

Glendon, of Cheadle, denies raping the woman in February 2016. The trial continues.

Modric latest soccer star accused of Spanish tax fraud

REAL Madrid football star Luka Modric has appeared in court in a tax fraud case in the Spanish capital.

Officials said Modric was in court for about 10 minutes with his wife and lawyer.

No details of what occurred in court have been released.

His wife Vadjia is also accused of tax irregularities.

Spanish prosecutors have accused the Croatian midfielder of defrauding tax authorities out of 870,728 euros (about £770,000) in 2013 and 2014.

Modric (above) has reportedly already paid nearly a million euros (£880,000) to tax authorities to try to reach a settlement, even though he has denied wrongdoing.

Two years ago, Barcelona star Lionel Messi was found guilty with his father of defrauding 4.1 million euros (£3.6m) from image rights income.

Leanne Lakey, 39, who played Belinda Slater in the BBC soap between 2001 and 2003, was arrested at Gatwick Airport when three kilos of cocaine – with a street value of around £150,000 – was found hidden in the bottom of a suitcase in December 2016.

Co-accused Dean Shanahan pleaded guilty to one count of importing cocaine and was jailed for five years at Croydon Crown Court.

Worboys demands 24-hour cop guard after his release

EVIL Black Cab Rapist John Worboys is demanding 24-hour police protection after he's released from jail.

Outrage last week greeted news that Worboys – convicted of 19 offences and jailed for a minimum of eight years in 2009 – has been given the green light to walk free by the Parole Board.

It's thought the former cabbie may have raped over ONE HUNDRED women in a six-year reign of terror.

But although the 60-year-old is thrilled to be released, he fears he's a marked man on the outside – so wants the taxpayer to shell out for his protection.

A prison insider said: "Warboys was over the moon when he was told he's going to get parole but was reminded, in no uncertain terms, that a lot of people want to do him harm."

"Quite honestly, that made him shit himself. Like all thugs who harm women, he is a coward and he was close to tears when he realised he'll be looking over his shoulder for the rest of his life."

Victims

Sources claim that Warboys had wanted a new identity after his release but was told his case was so high-profile and him so recognisable that this was unfeasible.

Security sources say that providing Warboys with round-the-clock protection would cost a cool £375k a year.

In contrast, rape victims can expect to only receive around £11,000 compensation from the Criminal Injuries Compensation Board.

INDIA'S BOOBS GET THE THUMBS UP!

BUST GREAT: India's not shy of showing off boobs

By BECCA STUBBS becca@sundaysport.co.uk

TRANSGENDER *Celebrity Big Brother* housemate India Willoughby has impressed fans with her bare-boobed antics.

The newsreader, 51, underwent gender reassignment surgery a few years ago and has been more than happy to show off her new figure on the Channel 5 show.

Viewers have been ogling India's pert pair and have been flabbergasted by her "perfectly-rounded teats".

One fan tweeted: "India getting her tits out on #CBB is brilliant, you go girl!"

Another said: "I can't stop staring at India's perfectly rounded teats, I reckon she's got the best pair out of all the girls by a country mile."

Confident

Others have been praising the trailblazing presenter for her open chats about her struggles with her gender transition.

One wrote: "India's only been a woman for a few years yet she's more confident than any of the women in there, would love to see them all topless so I can really compare their boobs!"

India isn't fazed by going topless and simply said: "They're boobs, it's no big deal. Boobs to me are not a sexual thing."

"They were never a sexual thing to me in my old life, I just felt like they were missing. Boobs are just a body part, just like an arm."

STAR'S DALEK TWINGE!

TRANSGENDER *CBB* housemate India Willoughby says she knew her new fanny was in working order when she felt a TWINGE over *Doctor Who*.

The 51-year-old newsreader was born Jonathan but had gender reassignment surgery to become India in 2015.

She had the operation last September but only realised her new fanny was working when she felt a flutter over a Dalek.

India made the revelation on *Celebrity Big Brother* and said: "I'd had my surgery in September and then it got to Christmas Day and it was the *Doctor Who* special. "I was watching that with my tea in my

lap just eating away and this Dalek came on screen and weirdly I just felt this fluttery sort of twinge, down there."

Fellow housemates Amanda Barrie, 82, and Rachel Johnson, 52, looked on in shock at India's sci-fi fetish.

And Rachel asked her: "You were attracted to the Dalek?"

India replied: "Almost, it was weird. It was like a really nice feeling and it was at that point things were getting better."

India has come under fire in the house after being offended by drag queen Courtney Act, 35, dressing Andrew Brady, 26, up as a woman.

ANN Widdecombe didn't hold back when voicing her opinion of future royal Meghan Markle – and branded her as TROUBLE.

The 70-year-old former politician was discussing the Royal Family and Ann had strong views on Prince Harry's fiancée.

Although her fellow housemates said that Meghan, 36, was very beautiful, Ann raised her hand and stated: "I think she's trouble."

When quizzed on why she thought Meghan was bad news, Ann added: "Background, attitude, I worry. I add it all up and I'm uneasy."

FORMER footballer John Barnes wowed his *Celebrity Big Brother* housemates when he took to the stage to RAP.

The former Liverpool legend, 54, took part in the house's talent show and impressed his fellow celebs by performing his infamous *World In Motion* rap.

He did a number of football tricks while waiting for his cue and had nearly all of his housemates up dancing to his singing.

Yank rapper Ginuwine, 47, also performed on the Channel 5 stage and did a rendition of his 1996 track *Pony*.

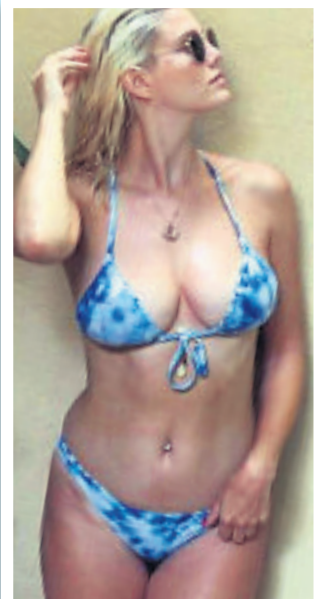

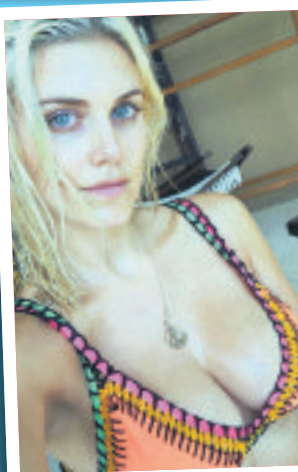

WRITER Rachel Johnson has promised to COCKBLOCK rapper Ginuwine and Ashley James' budding romance.

Ashley, 30, and Ginuwine, 47, were seen holding hands and getting close on Tuesday night's episode.

But the former Made in Chelsea babe is currently sharing a bed with 52-year-old Rachel.

Comedian Dapper Laughs, 27, accused Rachel of cockblocking Ginuwine after she told the couple she wasn't leaving her bed so they could get cosy.

And she added: "I am gonna carry on cockblocking."

BROTHER

Nice tweets, Ashley!

BABE'S BOOBS RULE SOCIAL MEDIA

CELEBRITY *Big Brother* babe Ashley James might be wowing viewers with her bikini scenes in the Channel 5 house but she's been getting her norks out on social media for years.

The former *Made in Chelsea* stunna regularly keeps her fans up to date with her holiday antics and often takes selfies, with her boobs taking centre stage. She's clearly got an

eye for swimwear and squeezes her ample assets into her various ensembles on an almost daily basis.

Blonde model and radio presenter Ashley, 30, has also teased fans with some sheer black lingerie as she struck up seductive poses.

No doubt her fans will be thrilled to see her flaunting her sweater-stretching 30F boobs in the Borehamwood bungalow!

CORRIE LUCY: I CAN'T WAIT TO BE A STRIPPER!

SOAP BABE: Lucy plays Bethany

CORRIE stunna Lucy Fallon says she's looking forward to her upcoming **STRIPPER** storyline.

The 22-year-old soap beauty plays Bethany Platt on the ITV show but her character's life takes a kinky turn in upcoming episodes.

Beth has already been groomed by her older boyfriend on the soap, where she was raped and almost sold as a sex slave.

Skimpy

And to deal with her trauma, her character turns to her secret job as a lap dancer in a strip club!

However, Lucy said she can't wait for the new storyline, adding: "I was nervous at the thought of wearing skimpy outfits but it was left up to me about what I wanted to wear."

"The outfits are more like Little Mix's stage outfits. For Bethany it's a thing to say that she has control over what those men can do to her so they can't touch her and they can't do anything to her."

"This is one step in her journey and whether it's the right thing for her or not, it's her journey that she has to go down. It's really important to show her full journey."

Lucy scooped the Best Actress gong at the Inside Soap Awards 2017 for her performance in *Coronation Street*.

Bethany will take on the stripper name 'Maddison' in episodes set to air over the next week, as her secret life as a stripper is set to be discovered.

HOLLY'S REVULSION AT BELLFIELD LUST

TV star's horror at killer's sick fantasies about her

TELLY presenter Holly Willoughby is DISGUSTED over serial killer Levi Bellfield's sick fantasies about her.

Bellfield, 49, composed a letter from jail, telling his pen pal how he would 'love to have met' *This Morning* host Holly, 36.

In the letter, Bellfield, who murdered schoolgirl Milly Dowler, student Amelie Delagrangue and teenager Marsha McDonnell, said Holly and journalist Isabel Oakeshott were his type.

He wrote: "That Isabel Oakeshott is blonde and very, very sexy. Her and Holly are my type and two I would love to have met."

"Busty and blonde does it for me, big time. I have pictures of both."

"Katie Price is not so hot now, believe me she was a lot

better than she is now and that's from my own personal experience. In real life she used to look OK, now she looks like Pete Burns."

Holly is unsurprisingly horrified by Bellfield's lust over her and a close friend says she's reeling from the news.

Attractive

The pal said: "Holly has been left disgusted by the thought of Bellfield watching her from his jail cell and she's even more sickened that he finds her attractive."

"She thinks, like most of the country, that Bellfield is the lowest of the low and it makes her sick to the stomach that a

serial killer is lusting over her. "He slaughtered children and Holly, having children herself, is horrified that she's even on Bellfield's radar."

DANCING on Ice star Donna Air says she has no regrets about her underwear modelling.

The blonde beauty, 38, shows off her new skills in Sunday's episode of the revamped ITV skating show.

However, long before she stepped foot on the ice, Donna was one of the infamous Primrose Hill gang and regularly got her kit off for the lads' mags.

But Donna doesn't regret a thing about her raunchy photo shoots because, at the time, she said they were tons of fun to do.

She said: "It was a period of time that will never happen again. I was probably very immature but I had a blast – and you should never regret that."

Donna's breakthrough came as a child star on the set of children's show *Byker Grove* but her rise to high-profile fame came quickly after.

Pride 'joker' groped tranny

A JOKING female reveller was arrested for asking to squeeze the breasts of a transgender woman.

Rebecca Maund, 31, trapped the woman in a bear hug on a busy street before asking if she could touch her body.

Maund pleaded guilty to sexual assault after cornering her victim during a Gay Pride weekend in Cardiff.

The prosecutor said: "The assault was based on the victim's trans identity. It's effectively treating someone as someone you can sexually assault because they are transgender."

The victim said she felt "shocked and upset" at the assault.

Maund's defence described her actions as a "joke" and "bravado".

JPs sentenced Maund to five months, suspended one-and-a-half years.

GRACIE'S VERDICT...

"I LOVE the BAFTAs, I'm such a film fan that seeing the awards ceremonies really gets me excited.

"I know *The Shape of Water* is leading the way with all the nominations but I think *Three Billboards Outside Ebbing, Missouri* could shock a few people and pick up a few gongs.

"It's a western-style drama but it's also a really good film and it's something different.

"As for who's gonna be crowned the best leading lady, I'm backing the gorgeous Margot Robbie – she should win one just for her stunningly good looks.

"What I'd do if I had five minutes with her are unprintable!"

THE BAFTA nominations have been revealed and there's tons of topless leading lady totty to be ogled over.

Fantasy romance film *The Shape of Water* leads this year's nominations with a whopping 12 nods in total.

It stars Sally Hawkins, 41, who gave a peek of her pert pair in 2004 thriller *Layer Cake*.

Three Billboards Outside Ebbing, Missouri received nine nominations – and stunning starlet Frances McDormand has also got the nod for the best leading actress gong.

Flashing

Frances, 60, has done plenty of things for her silver screen roles, including this famous flashing scene from 2002 film *Laurel Canyon*.

Both of them face stiff competition from *I, Tonya* beauties Margot Robbie, 27, and Allison Janney, 58, who have both peeled off their clothes before.

In charge of the night's proceedings is actress and activist Joanna Lumley, 71, who is also no stranger to baring her breasts in front of the camera, just like she did in 1970's flick *Games That Lovers Play*.

**Campaign
for real
ale glass**

A PETITION has been launched to restore the 300-year-old Crown emblems on British pint glasses.

Campaigner John Davies said the move would be "a gesture sure to symbolise the restoration of UK sovereignty prior to the country exiting the European Union".

The petition has already won backing from figures such as leading Brexit figures like former UKIP leader Nigel Farage.

The petition reads: "For more than 300 years, since 1699, the stamp of the Crown on top of a pub glass ensured it could hold a full pint."

"But since 2006, manufacturers have had to mark the letters 'CE' on newly-made beer pint pots."

The CE stands for "Conformité Européenne" and indicates that the glasses meet EU-mandated weights and measures regulations.

**'Sick' worker got
boot for gin bash**

A WORKER who took sick leave after a friend was murdered, was sacked after bosses discovered he'd been to a gin festival.

Dundee-based Michelin said if Stan Reid was fit to attend the event, he was fit to work, and they subsequently fired him.

An employment tribunal in Dundee yesterday heard the company was alerted to a Facebook post, in which Mr Reid was tagged at the booze event in Glasgow.

The tribunal continues.

DEATH AT THE ALLOTMENT

WARY: Murder victim Lea Adri-Soejoko

Widow strangled with lawnmower cable, court told

AN elderly widow strangled on an allotment with a lawnmower cord had been "wary" of her alleged killer, a court has heard.

Lea Adri-Soejoko, 80, had a "notorious" run-in with Rahim Mohammadi who had a reputation among other growers for being "threatening" and "volatile" just months before he allegedly beat and throttled her to stop her reporting him and losing his plot.

Beaten

Mohammadi, 41, from Hackney, is on trial at the Old Bailey accused of murder at the Colindale allotments in north London on February 27 last year.

Prosecutor John Price QC told jurors that the victim was beaten up by Mohammadi and then killed to "stop her complaining".

He said the defendant was known by plot holders for his "threatening, intimidating, aggressive and even physically violent behaviour".

Mr Price told the court: "He has shown himself very sensitive to any perceived slight, however minor, and is quickly aroused to behave in a way

By ASHTON HURST news@sundaysport.co.uk

others have found frightening. There was one notorious occasion at an Allotment Association meeting... when, having been told by her to 'shut up', he responded with a display of verbal aggression directed towards Mrs Adri-Soejoko, which shocked others and distressed her.

"We know from what others later observed of her... that she was affected by it and, as has been said by some who knew her, was 'wary' of him."

Mr Price said that there had been a "fraught atmosphere" on the allotment but outbursts by the defendant had been "overlooked" in the past.

However, he would have known a serious physical assault upon Mrs Adri-Soejoko would not have been tolerated by allotment users, jurors heard.

Mr Price said: "As he pondered what he had just done to her, Rahim Mohammadi will have feared that he would never again be allowed to return to the allotment and much else besides. And so he killed her."

The defendant denies murder and the trial continues.

Ricky yearns to be Globes host again

COMEDIAN Ricky Gervais says he wishes he was still hosting the prestigious Golden Globes ceremony.

The stand-up comic (above) hosted the awards a record four times from 2009 to 2011 and again in 2015.

Despite branding them all scum, he reckons that when his run came to an end, Hollywood's finest were just beginning to understand his close to the bone quips.

Ricky, 56, said: "At the moment, there's something in the news every day that makes me go 'I wish I was doing the Globes tonight'."

"By the end of my run, people were getting it. The first time they said 'Why is he saying these awful things to these lovely rich people?'"

"I'm calling them scum. Now everyone knows I was right."

American comedian Seth Meyers hosted this year's Golden Globes, which was held on Sunday evening at The Beverly Hilton, California.

Montana's a beach bum!

LOVE Island babe Montana Brown wowed in a red swimsuit in her best *Baywatch* impression.

The 22-year-old curry brunette squeezed her peachy bottom into her thong-style one piece, which also gave a hint of side-boob as well.

She's currently on holiday in Barbados and keeping fans up to date with sizzling social media selfies.

Fact me!

Murder probe after stabbing

A MURDER investigation has been launched after a man was stabbed to death in London.

Officers were called at 5.48pm on Monday to reports of a man who had been assaulted in Shakespeare Walk, Hackney, north London, the Metropolitan Police said.

The victim, believed to be 34, had stab injuries and was taken to hospital, where he later died.

Formal identification and a post-mortem examination are yet to take place.

So far, there have been no arrests.

Detective Inspector Paul Considine said: "Our initial inquiries have established that the victim was attacked by a group outside Burns House in Shakespeare Walk."

"Work continues to establish what the motive was behind this assault."

AMANDA HOLDEN

TV presenter and *Britain's Got Talent* judge Amanda Holden might be 46 but she gives all the younger women a run for their money with her age-defying looks.

Although she's now arguably just as famous for her flesh-flashing outfits as she is for her television stints.

SOPHIE READE

BIG Brother babe Sophie won the hearts of the nation when she shot to fame by being crowned the winner of the 2009 series.

She was a glamour girl before her reality TV fame and the 28-year-old blonde bombshell still dreams of posing starkers for *Playboy*.

By BECCA STUBBS becca@sundaysport.co.uk

DECADES of the blonde or brunette debate has finally been settled... with a survey revealing that fellas much prefer **BLONDES**.

Researchers found that men find lighter-haired women look younger and a lot healthier than those with brown hair.

Blokes quizzed also judged blonde women to be more **PROMISCUOUS**.

The survey found the men rated women with lighter hair as being more attractive and having greater relationship potential than those with dark hair.

In cavemen times, hair colour was seen as a good way to pick a potential partner.

Because our hair tends to darken with age, women with naturally lighter hair are younger and so were seen to be more fertile. To celebrate the beauties who have graced the world of showbiz, here's **FOUR** pages of the best-looking blondies with their sweater-stretching norks on display.

WE BLONDES!

MARILYN MONROE

ORIGINAL pin-up icon Marilyn became one of the world's first sex symbols and, arguably, the most famous.

Her blonde coiffed curls and her saucy image helped her shoot to global fame and she enjoyed an acting career which spanned years before her tragic death in 1962 at the age of just 36.

HELEN FLANAGAN

CORRIE beauty Helen, 27, has played Rosie Webster on the ITV soap since 2000 but viewers and fans alike have seen her grow into a real bombshell.

She wowed onlookers when her bare boobs escaped from her yellow bikini back in 2013 and finally gave fans a glimpse of her jaw-dropping chest.

WE ♥ BLONDES!

STELLA MAXWELL

VICTORIA'S Secret model Stella, 27, bared her bum in this cheeky snap – but it's not fellas she's looking to impress.

The Belgian underwear beauty prefers women and it's no surprise she's previously attracted the attention of Miley Cyrus and is currently dating *Twilight* actress Kristen Stewart.

HANNAH CLAYDON

BUSTY blonde Hannah is arguably one of the best things to come out of Wakefield and the 30-year-old beauty posed up a storm in this blue bikini.

Hannah looks sensational in her two-piece, which she pulled away to reveal her 28H boobs.

NAOMI WATTS

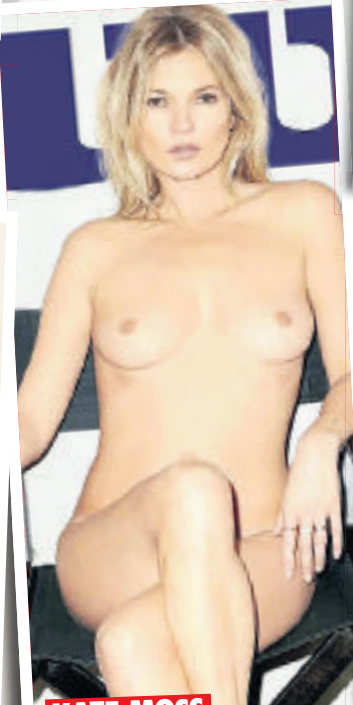

ACTRESS Naomi is one of Hollywood's most recognisable faces thanks to her roles in *King Kong* and *Mulholland Drive* and the 49-year-old starred as Cristina Peck in 2003 crime thriller *21 Grams*, baring her perfectly rounded norks on the silver screen.

EVA WYRNAL

BIG-BOOBED glamour girl Eva is one of the Sport's regular hotties and it's no surprise the busty blonde bombshell is a big hit with our readers.

They can't get enough of 27-year-old Eva's 34DD ample assets and here she is showing them off once more.

KATE MOSS

SUPERMODEL Kate made a career out of flaunting her enviable figure, either on the fashion catwalk or on the front of magazines.

The global megastar, 43, is arguably just as famous for her party antics as she is for posing naked, just like here.

SAM FAIERS

STUNNING Sam shot to fame as her life unfolded on reality show *The Only Way is Essex* – but she was well-known to fellas long before ITV came calling.

The 27-year-old babe used to love flaunting her palm-stretchers between the pages of lads mags and we've dug out this corker.

KRISTINA RIHANOFF

STRICTLY Come Dancing Siberian siren Kristina, 40, ended up bonking two of her celebrity partners thanks to her sexy appearance.

She did a bedroom rumba with Joe Calzaghe, 45, in 2009 but split four years later – only to lure rugby player Ben Cohen, 39, away from his wife in 2013.

The pair now have a baby together.

RITA ORA

POP babe Rita has never been one to cover up her impressive figure and sometimes she goes completely topless.

The 27-year-old Kosovan beauty wowed her fans when she revealed her bare boobs in this gorgeous snap.

SIENNA MILLER

SEXY Sienna is one of Britain's best film stars and the beauty has starred in plenty of award-winning movies.

However, the 36-year-old announced her arrival to moviegoers when she bared her pert pair in 2004 classic *Alfie*.

KYLIE JENNER

THE youngest of the Kardashian clan, 20-year-old Kylie grew up in the shadow of her sister's success but has now grabbed her own limelight.

Beauty mogul Kylie showed there's more to the Kardashians than Kim, 37, when she posed in this see-through yellow top last year.

AISLEYNE HORGAN WALLACE

BUSTY Aisleyne rose to fame in 2006 when she finished third in the seventh series of reality TV show *Big Brother*.

Since then, the 39-year-old TV stunner has made herself a millionaire thanks to investing her television money in a number of luxury properties.

PARIS HILTON

HER fiancé Chris Zylka, 32, recently popped the question and it's not just her millions which would have caught his eye.

Socialite Paris, 36, saw her fame skyrocket after her sex tapes were leaked online in 2003 and it's no wonder she's never been short of male attention since.

EMILIA CLARKE

GAME of Thrones hottie Emilia, 31, plays the Mother of Dragons on the global fantasy show and she's appeared topless loads of times.

Despite owning three dragons, Emilia's character has got fans all fired up for different reasons on more than one occasion.

PAMELA ANDERSON

BAYWATCH babe Pamela, 50, caused many fellas' jaws to drop to the floor when she first appeared on screens wearing the infamous red swimsuit.

However, they couldn't believe their luck when she peeled all her clothes off several times for naked shots in *Playboy*.

MADONNA

ICONIC singer Madonna is so successful she's also known as the 'Queen of Pop' – but her outrageous outfits certainly helped her career.

She's never been one to shy away from flesh-flashing ensembles and, despite being 59, she still squeezes her ample assets into some X-rated outfits.

NICKI MINAJ

POP star Nicki is well-known for showing off her voluptuous curves on her social media and in her music videos.

However, the 35-year-old showed off a little more than she wanted during one performance in 2011, when her boob slipped out of her green bra-style top.

LAUREN POPE

YET another glamour girl who saw her stock rise when she appeared on *The Only Way Is Essex*, Lauren is another Brentwood beauty.

But 35-year-old never appeared on the ITV reality show wearing stockings and suspenders and flaunting her 32E norks like here.

REESE WITHERSPOON

Jackass legend Bam nicked for driving p*ssed

JACKASS star Bam Margera was nicked for drink-driving after approaching cops who smelt booze on his breath.

The former *Viva La Bam* star (above), 38, was arrested on Sunday morning after driving past police already in the process of stopping someone else, and slowing down to speak with them.

Officers are said to have detected "a strong scent of alcohol" on Margera and gave him a sobriety test.

Margera has made no secret of his struggle with alcohol abuse, though late last year the star opened up about overcoming his old habits and becoming sober.

The married reality star revealed that at his worst he would begin drinking immediately after waking up.

He said: "At its worst, I would probably just wake up around 11am and instantly start drinking vodka. By the end of the night, I would probably have 10 pints worth of it."

Brit curries fine with Bordeaux

A UK curry house is delivering a takeaway more than 500 miles to Bordeaux, France, due to demand for their spicy dishes from ex-pats.

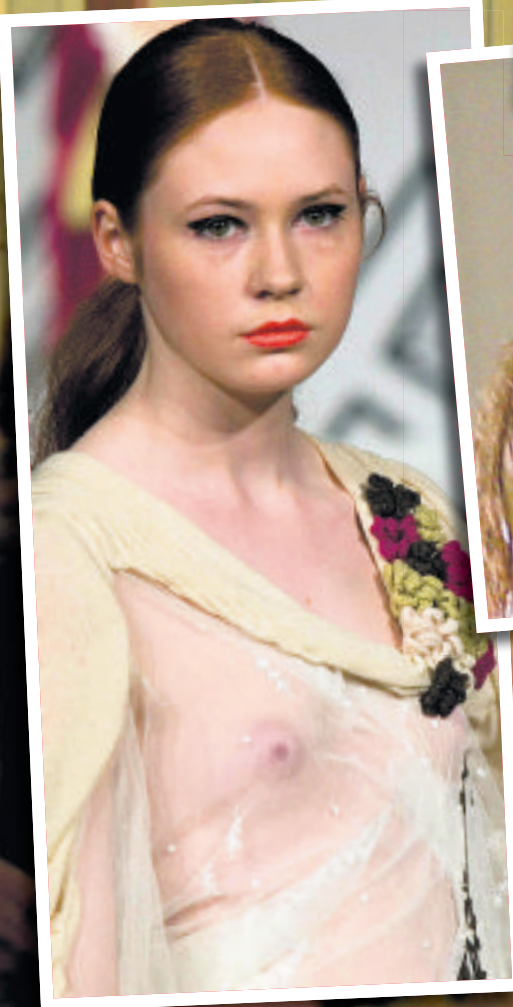

The Akash, in Southsea, Hants, is spending thousands to charter an aircraft and fly out orders to the Brits, who all live in the French city.

Manager Faz Ahmed said: "The demand has been great."

JUMANJI BABE NAKED!

HAPPY ENDING:
Karen bare in movie

JUNGLE Jane Karen Gillan has impressed in blockbuster hit *Jumanji* but she's not seen looking like this in the family favourite.

Karen, 30, plays Martha in the sequel to the Robin Williams 1995 classic about a game that comes to life.

The movie has won wide praise from fans with former *Doctor Who* star Karen impressing in her major silver screen role.

look half as good as she did when she went **STARKERS** in 2013 film *Not Another Happy Ending*.

In her role as Jane Lockhart in the comedy movie she went completely naked and paraded her pert bottom for the camera.

However, fans were treated to a bare boob display as well when the flame-haired beauty donned a see-through floral dress on the fashion runway a couple of years ago.

Michelle's set to join Mark in LA

Michelle (*above*), 30, is said to have been approached by Yank producers who are keen to film the Northern babe's experiences in Hollywood.

Hubby, Mark, 30, has been living in LA since September after landing a job as a presenter on U.S. entertainment show *Extras*.

A source claimed offers of her own reality show could persuade Michelle to jump ship, adding: "It's been pitched as a reality docu-series. It would follow her trying to find acting work in the States."

"There are a lot of British producers working in LA, many of whom know Mark and Michelle, so it could come together well.

“She’s had interest from a production company that works with studios like E!, and launched the career of the Kardashians.”

Dave and Lisa Somers, both 51, were found shot dead near their car on Saturday evening in what police are calling a murder-suicide.

Officers arrived at the scene to find the couple's car on the side of the road with the boot and passenger doors open, and the deceased victims next to it on the hard shoulder.

Lisa's daughter Amedy Dewey, 18, was also shot and found lying in the back seat of the car. She was taken to hospital following the incident in Lowell, Michigan.

She was reported to be in stable but critical condition at the medical unit.

ARRESTED: Rasheeda is said to have approached assassins

Online sex worker wanted his £110k life insurance

AN AMATEUR porn star has been charged with hiring a hitman to kill her boyfriend.

Unluckily for the online sex worker, however, the hired gun turned out to be an FBI informant.

Rasheeda Johnson Turner is accused of tracking her target's movements on an iPhone app.

She allegedly offered the informant £30,000 to carry out the hit.

Turner, 37, is charged with use of "interstate commerce facilities" in the commission of murder for hire.

If convicted she faces up to 10 years' jail

The investigation began in November when the informant alerted an agent with the FBI to Turner's alleged scheme.

According to court records, Turner initially solicited another person to kill her boyfriend but they declined.

COPPER SACKED ...FOR EATING KEBAB!

CHOKER: Takeaway got PC Musgrave the sack

PC was on duty when he scoffed hot doner

A POLICEMAN has been sacked for going missing on a midnight shift so he could chomp on a kebab.

PC Richard Musgrave, 52, lied about his whereabouts when he went to eat his takeaway in his patrol car parked up in an industrial estate, a disciplinary panel heard.

When they couldn't get hold of him, Musgrave's colleagues were forced to send a search party out to try to find him in March, Cambs.

They tracked him down to an industrial estate – where he was eating the kebab – using a police mapping tool that officers carry on their person.

Asleep

Musgrave initially claimed that he had fallen asleep – but later said that his watch had stopped, his phone was on silent and his police ear-piece “came apart”.

But he eventually admitted that he was actually eating a kebab from the Moonlight

Grill. He was at the end of a 10-hour shift that he had done without a break, the panel heard.

The 4-day misconduct hearing in Peterborough concluded that he had breached professional standards in respect of honesty and integrity, discreditable conduct and duties and responsibilities.

Musgrave was found guilty of gross misconduct and dismissed from Cambridgeshire Police.

Tatt's going too far, Sam

FORMER topless model Sam Fox has revealed how one fan got her name tattooed on his **FOREHEAD**.

Sam, 51, who had a No1 hit with *Touch Me* in 1986, said that becoming one of the most famous women in Britain after posing topless three years earlier saw her constantly pursued by fans.

She said: “I helped give Page 3 a voice. I was the youngest-ever Page 3 girl and I did all kinds of things they weren't supposed to do – I was on Terry Wogan and presenting *The Six O'Clock Show*.”

“People assumed all we could do was pose. Some boys would change their names to Sam Fox. Older guys would get tattoos.”

“One time, a skinhead asked me to autograph his forehead. A week later he sent a photo to my fan club – he'd had it made permanent! That was about 32 years ago, so what must he think about it now?”

GLAMOUR girl Ann Wilson loves **DOGGY STYLE** sex – because it makes her feel like a **PORN STAR**.

Brunette babe Ann, 23, from Manchester, can't get enough of shagging on all fours and also enjoys being bonked in the shower.

The 34DD beauty said: “I love doggie style, or from behind in the shower! I love the feeling of the warm water slowly dripping down my boobs and back as I'm being taken from behind.”

“I make the guy pull my hair a little and he can put his leg up onto the side of the bath so it goes really deep. It makes me feel like a porn star.”

Inspired

When she's not busy romping in the shower, Ann likes to look at iconic pin-up girl Lucy Pinder as inspiration.

She added: “I've always looked up to Lucy Pinder. I think she's gorgeous and would love to be as established as her.”

“She inspired me to start modelling and I want to follow in her footsteps.”

“I've always had quite big boobs, so thought I'd be perfect for glamour modelling, and I love the attention I get from it.”

TEACHER SUCKED OFF PUPIL IN HER CLASSROOM

**SPOCK OF

Costadoni**

AN art teacher has been arrested after her affair with a teenage student was uncovered by police.

Valeria Costadoni, 30, allegedly SUCKED OFF the 17-year-old male pupil in her classroom on "many occasions".

The student also claimed to have shagged his teacher around four times at her home and even in her car.

He also said they'd enjoyed a kinky romp at his home during the pair's salacious two-year school affair.

They had reportedly struck a relationship by bonding over the sci-fi franchise Star Trek after discovering they were both avid fans.

Costadoni was a teacher, released a statement this week claiming they found out about the extra-curricular romps through the media.

Alfred de la Rosa, the chief administrator said: "The teacher has been removed from the school, and our staff shall be standing by to offer student support and counselling as may be necessary."

Parents at the school told reporters they were disgusted after hearing about the arrest.

One mother said: "I don't care if it's consensual, a child is a child, no matter what."

Police said Costadoni refused to speak with detectives without an attorney present and she was arrested on two counts of lewd and lascivious battery on a child.

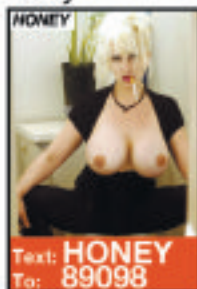

Costadoni, originally of Paraguay, was let out on £10,000 bail.

Fifth child on the way for Hugh

HUGH Grant is set to become a father again as Swedish girlfriend Anna Eberstein is pregnant.

The British actor (above), 57, is expecting his fifth child in less than seven years after Anna's mother Susanne Eberstein confirmed the news to Swedish media.

She said: "I'm very happy to be getting another grandchild. She's due rather soon."

The happy couple already have two children together. Their first, John Mungo, was born in September 2012 and their second in December 2015.

Hugh separately has two other children with Tinglan Hong, with whom he had a brief affair.

His eldest child, Tabitha, was born in 2011 and Felix came along in 2013.

Hugh and Anna made a rare public appearance at Sunday night's Golden Globe awards, where Anna (above) revealed her growing baby bump.

A WOMAN died after contracting flesh-eating bacteria from raw oysters.

Jeanette LeBlanc got sick after going crabbing and then eating oysters she and a friend picked up from a market.

Her pal Karen Bowers said Jeanette became sick after the two of them ate the shellfish.

At first, she says it looked like she was having an allergic reaction, but her condition got worse over 48 hours and she was rushed to hospital in Westwego, Louisiana, where docs diagnosed *vibriosis*.

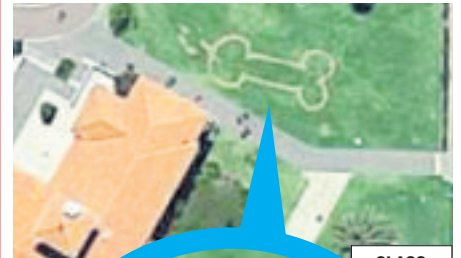

Her partner said: "It's a flesh-eating bacteria. She had severe wounds on her legs from that bacteria and it killed her."

COCK & BALL PARK!

CLASS WORK: Image in school grounds

Class jokers graffiti school playing field

RESIDENTS logging on to see the Google Maps' aerial view of their neighbourhood got a MASSIVE surprise...

A huge COCK 'N' BALLS!

The erect etching had been drawn onto the once-pristine lawns at their local high school.

They had checked out the updated Google images to get a birds' eye view of the town's new waterfront development. But their eyes were soon drawn to the unusual shape in the school's grass.

The image was shared to social media by local TV reporter Gian De Poloni in Bunbury, 150 miles south of Perth, Western Australia.

Spanking

He wrote on Twitter: "Google has updated its Bunbury map showing off the brand spanking new waterfront."

"But what's more interesting is what's happening at the local high school..."

There has been speculation that the cock 'n' balls is the work of students leaving school at the start of the summer holidays – which fall while it is winter in the UK.

JESS: HER MOST

SEX SECRETS

EXPOSED

...IN HER OWN WORDS

Mum, 29, faces prison for baby with schoolboy

A WOMAN age 29 is facing more than 15 years in jail after having sex with a 14-year-old boy and getting pregnant.

Tracie Casler met the boy at a Halloween party in 2016 and the pair went back to her house.

There Casler took him to her bedroom where she performed a sex act on him.

They then had full sex in her bed and he did not wear a condom.

It was the only time the pair had sex but Casler fell pregnant and nine months later gave birth to a boy.

After the child was born, Casler told friends and family what had happened and one of them tipped off the police.

Casler, of Santa Rosa, was charged with one count of lewd and lascivious battery with a victim aged 12 to 16.

It is a strict liability crime, which means that consent or not knowing the boy was under age cannot be offered as a defence.

DNA tests have been taken and although the results have not been publicly released it is understood they confirm that the victim is the father.

NAKED MAN IN AIRPORT RAGES THROUGH TERMINAL

'I've taken too many sex drugs!'

SEIZED: Overdose tourist (right) threw shit at people

A NAKED American tourist was wrestled to the ground at an airport after overdosing on Viagra, stripping off and then chucking P00 at fellow passengers.

Steve Cho was nabbed as he wandered through the departure hall of Phuket International Airport, Thailand.

The 27-year-old, from New York, was destroying goods and yelling while throwing his own faeces at staff and

terrified members of the public.

He was eventually stopped by six security guards and airport staff before being arrested by the airport's tourist police.

Onlooker Wanee Ming, 28, said: "This was the scariest and most disgusting thing I ever saw at an airport."

"I stayed away from the man in case he attacked

anybody. The airport staff tried to make him calm down. They were talking to him but he ignored them.

"It was very bad. The airport did a good job to control him."

Mr Cho reportedly told police he had "taken too

many sex drugs", apologised for his outburst and agreed to pay any damages.

A statement from Phuket International Airport said: "When he regained his composure, he admitted that he took too many Viagra pills and lost consciousness.

"He accepted responsibility to reimburse for any damages that he caused."

Mr Cho was taken to a local police station before officers sent him to a nearby hospital for medical checks and a routine psychiatric assessment.

A MAN was arrested after boarding a plane DRUNK and then PISSING all over the toilet.

Airline staff noticed Dante Bencivenga, 58, nodding off and smelling of alcohol as he waited to board his flight.

After boarding in Fort Myers, Florida, they say he urinated all over the plane's toilet and carpet.

Bencivenga was asked to leave the plane and did so before becoming "belligerent", according to the airline.

He now faces charges of disorderly intoxication and trespassing.

Bencivenga was also told not to return to airport property for twelve months.

Top sex trends to make 2018 go with a bang

Lauren Burgess says...

FIFTY Shades of Grey is my favourite film and I'm looking for my very own Christian Grey. Being submissive really turns me on and blindfolded while someone has their wicked way with me is my idea of heaven.

Rachel Fitzpatrick says...

I OFTEN work away from my balls and we're always wanking off together on Skype, but it would be amazing if he could control my vibrator over the internet! It would almost be like he was there and I'll be first in the queue for one of those.

By WENDY THOMAS
news@sundaysport.co.uk

BRITAIN is set for a bumper year of SEX... as 2018 is tipped to be the kinkiest year between the sheets we've ever had.

Sex expert Annabelle Knight has listed the top five sex trends she reckons will take over our bedrooms.

And she's convinced that 2018 is going to go with a BANG.

"It needs to be stressed that as a country our sex lives have never been better," she said.

"Sex has evolved so much for the better over the last five years. If you are enjoying your first experience of sex in 2018, you couldn't have started at a better time!"

Here are five intimate trends that will prove popular in 2018.

SEX ROBOTS

The first kinky cyborgs made their way to market in 2017 and the demand is showing no signs of slowing down.

Last year, the perception of sex robots was still a little taboo.

But with brothels across Europe offering bots instead of real-life babes, they'll be even more accessible in 2018.

VIRTUAL REALITY

Virtual reality porn has taken off. It could get even raunchier this year.

The ability to create 3D models of real life people means you could potentially bonk your favourite celebrity or crush this year.

CUSTOMISABLE SEX TOYS

Consumers have shown an interest in sex toys that are personally tailored to themselves and this year detailed dildos are set to fly off the shelves.

Already there is a best-selling silicone cock which women can personalise with their partner's face – and even more novelty toys are set to enter the shops this year.

BDSM

With the third, and final, *Fifty Shades of Grey* movie set to hit cinemas this year, BDSM shagging is set to sweep the world once more.

Handcuffs, blindfolds and neck restraints are some of the kinky acts that have been teased in the movie trailer.

And experts reckon fans will be dying to recreate the scenes in their own boudoirs.

LONG-DISTANCE LOVE

Many long-distance couples struggle with the lack of intimacy, but tech inventors have come up with a clever way to keep the spark alive.

A number of companies allow you to play together without being in the same room by controlling each other's sex toys – and even more advances are set to come this year.

We asked three Sport stunnas what they're looking forward to trying out...

Karyn Price says...

SEX robots freak me out, i 'just can't' get my head around shagging a robot! Although I do quite like the sound of a personalised dildo – the bigger the better for me!

Steak and oral treat when you eat your meat!

By BECCA STUBBS

becca@sundaysport.co.uk

MEAT eaters have more SEX than vegetarians, according to a new study.

A poll has proved that 46% of those who include meat into their diet get down and dirty at least once a week.

But it's bad news for folk who stick to a veggie diet, as just 16% of them admitted to getting a bonk in the same period.

The Gourmet Meat Club study quizzed 2,000 Brits on their diet habits and sex lives.

Broken down by country, the Welsh were the top of the carnal carnivore charts, with 49% who ate meat every day reporting that they had sex one or more times every week.

They were followed by the English (46%) and the Scots (40%) with both countries eating meat everyday and bonking regularly every week.

Professor Walter Ogana thinks he's cracked the code on why meat eaters are getting more bang for their buck between the sheets.

He took to Twitter to share his views, saying: "Meat turns you into the animal you're eating."

"The animal propensities or lower powers are magnified above reason. The lesser the power of reason, the more debased that humanity becomes."

Vices

"Thus more sexual activities, murders and revelry among other vices."

Meat also took centre stage on date nights as well, with the most popular dish to cook before a night of passion being a steak, with 18% saying they would serve up the meaty treat.

A total of 17% said they would make a roast dinner, with 9% making spaghetti and just 8% a spicy curry.

Although eating a plant-based diet might not give you a boost in the bedroom, it is proven to have a number of health benefits.

According to the Icahn School of Medicine in New York, vegetarians cut their risk of heart failure by a whopping 42%.

Midweek Sport model Lindsey Marie Cole said: "I'm not too bothered by what fellas eat – it's what they do in the bedroom that counts for me."

"If I'm with a veggie and he's not in the mood, I'll happily do a sexy striptease to get him horny!"

"As long as you're sexy enough, it's easy to turn on a hot-blooded male with a set of underwear and a good blowjob!"

#MY SEX FANTASY

**'I love to
thrill a guy
by sharing
a girl pal
with him'**

By **WENDY THOMAS**
news@sundaysport.co.uk

JUICY Jenna Brock has a wild weekend planned – and let's just say for her THREE is the magic number!

The 29-year-old stunna confessed that she's had loads of threesomes – and loves getting down and dirty with another woman.

The 34E babe, from Hersham, Surrey, says she enjoys thrilling a guy by sharing a girl pal with him.

She said: "I love being with a girl because they're a lot sexier than guys a lot of the time."

"And I like a nice, big pair of boobs and a lovely round bum."

"I've had lots of threesomes with a girl and a guy."

Dirty

"It's fun because you get the best of both worlds and the guys always love it."

"There's something really sexy about sharing a man with another girl, particularly when you're both going down on him. Men love it."

And if that wasn't enough, the busty brunette beauty is regularly up for a spot of bum fun.

She added: "When I'm in a really dirty mood, I love it. It makes me feel like a porn star."

"There's nothing hotter than a really dirty session with loads of lube."

THE WORLD FAMOUS AGONY Page

Dear Ava,

I'VE been married for 15 years and I'm just beginning to wonder if my missus is a two-timing nympho.

A couple of weeks ago I was in a pub with some workmates when a guy came up and started talking to one of them.

It seems they were old mates and hadn't seen each other for a few years.

When my pal asked his mate if he was married he replied: "No, but I'm f**king a proper nympho regularly" - then produced a photo of the woman.

It was a pretty poor snap but I could see enough to suspect the woman laid on a bed with her legs spread wide showing her minge was my wife!

I'm absolutely devastated.

What should I do?

FR, Notts

Ava says...

STOP being so ridiculous - most women look the same when they've got their kit off. Sounds like you're just being paranoid.

Dear Ava,

ME and my girlfriend got engaged a couple of months ago - I'm 21 and she's 19.

She's the same age as me and is very insecure.

A couple of weeks ago her female pal came to my flat during the day, when my bird was out at work and I was on a day off.

One thing led to another, and we were soon rolling around in the sack together.

She soon had my dick hard and went down on me - and she swallowed the lot!

Then I went down on her, licking her vag and tickling her little clit.

After she'd gone, I realised what I had done and felt bad. But the next week the same thing happened.

Since then I've told her that it must stop but she says that if I don't carry on "servicing" her she'll tell my fiancée.

MA, Derbys

Ava says...

YOU should stop kidding yourself that it's all HER fault. Call her bluff - but remember, it takes two to tango.

Dear Ava,

I'M a 36-year-old divorced lady and the other week I bumped into an old female school pal I'd not seen for 20 years.

I invited her round to my place for a meal, where we cracked open a bottle of wine and had a great time recalling all the silly things we'd done in the past.

She is also divorced and revealed she hadn't made love to a man since her husband left her.

I said she must be feeling terribly frustrated but she laughed and said: "That does not mean I haven't had sex."

Then she pushed me back on the sofa, easing my thighs apart, and I screamed in ecstasy as she pulled my panties aside and probed my pussy with her fingers and then the tip of her firm tongue.

It seemed like only seconds before I was experiencing the most powerful orgasm I have ever felt.

Now I'm feeling sexually confused. Am I gay?

VL, Lancs

Ava says...

YOU'LL have to explore further with your friend.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week AVA DALUSH has been reading through your letters. And here's her advice for you...

Well-hung manager is the boss of spanking!

Dear Ava,

I'VE often fantasised about being spanked, but I daren't tell my husband – in case he thinks I'm a pervert.

But recently I decided to make my dream come true – with my boss!

For some time now he has been making comments about my arse and how much he would like to spank it.

I used to laugh it off as a joke, but I started thinking more and more about it and a couple of weeks ago I decided to call his bluff.

He invited me out to a bar in town after work and we had a few drinks and started talking about fantasies. I told him mine, and he was at pains to point out that his was pretty similar – apart from him wanting to take me in both holes after he had spanked me.

I got turned on by him describing what he wanted to do to me, so I said we should go back to the office.

Knickers

We made sure we were all alone in the building and he pretended to be angry with me as I bent over his desk.

Then he lifted my skirt up, took my knickers down and told me I deserved a good spanking.

I don't mind admitting that I was trembling with excitement as he gave me a dozen slaps that left me horny, and my bum cheeks burning hot.

So I turned round to see that my boss had an enormous bulge in his trousers and I made a grab for him, quickly unleashing his impressive eight-incher.

I took him to the brink of orgasm with my mouth before I turned around and let him screw me hard and fast from behind over the desk.

He first took me doggy-style and then switched holes and had anal sex with me.

It was one of the best shags I've ever known and I'm sure the spanking is what made all the difference.

But now I'm feeling really guilty about cheating on my husband.

Should I tell him?

TH, West Yorks

Ava says...

NO – but you should definitely ask him to spank your arse!

Dear Ava,

I'M a horny 26-year-old girl and I love pulling fellas for one-night stands.

I get a thrill out of unleashing a new cock each time and comparing it for size – and taste – with all the other dicks I've had.

I go to all the local clubs and pubs and I've had most of the fanciable males in the area now.

So I'm looking at new ways to meet lads for no-strings sex.

My big ambition is to take a virgin bloke to bed, too.

Where can I find one?

CB, Leics

Ava says...

THE only place I could suggest would be the nearest monastery – although I doubt they'd let you in the place!

Dear Ava,

I'M in my mid-50s and have recently started dating a lovely 18-year-old girl.

She's assured me that age is just a number and on our first date I enjoyed some heavy snogging and getting with her.

We had full sex on our third date, after a party.

We'd had a bit to drink and were touching each other in the bathroom.

To my astonishment she dropped to her knees, grabbed hold of my stiff cock and put it between her sweet lips.

While she was slurping on my engorged member I noticed she'd yanked down her knickers and was fingering herself.

This set me off and I blew the lot in her gob.

Later I asked her if she fancied a cock up there, rather than her fingers, and she took me out to her mate's garage.

She unlocked the car parked there and we climbed on the back seat.

Then she wriggled out of her skirt and was soon straddling my love-muscle and riding it wildly.

Now she says she wants to go away to university after the summer, where I know that with her huge sexual appetite she'll soon be getting her fill of young, hard cock in no time.

Can we carry on?

CH, north London

Ava says...

GET it while you can.

Steamy scrum with randy rugger girls

Dear Ava,

MY fella used to be a keen rugby player and I'd go along and help the other WAGS to serve the drinks and food after a match.

When he stopped playing due to injury, we kept going along to help.

Then a few of the other WAGS decided to set up a team for the ladies – and I joined in.

After our first match, my fella came up with the suggestion of me getting off with two lesbians on the team.

We won our first game and I was so elated I said yes to his plan.

In the showers, the two gay girls started giving each other a celebratory kiss, so I jumped in the middle and we began locking our lips together.

We were soon fingering each other's fannies and soaping each other's boobs and I was dripping wet – not just from the shower!

As we were drying off, the girls used their tongues to make me orgasm.

Then we went to the club bar and promised ourselves another session soon.

My fella loved it, but now wants to join in but I just want the ladies – not him.

Is this normal?

GH, Hants

Ava says...

AS long as you're having a good time, and you let your boyfriend down gently, who cares about labels?

Just go with the flow and enjoy it.

NATALIE HOLMSTROM

GARDENER

Jason Garvey cuts trees and bushes for a living – but it's Natalie Holmstrom's bush he wants a look at.

Jason, 33, from Bognor Regis, says his dream woman is 26-year-old topless Swansea stunna Natalie and her cracking 32D boobs.

He said:

"Natalie is a real woman, her curves are delicious and although I'm often bored of bushes when I'm finished work, I'd be happy to take a look at hers.

"Could I please have a photo of her looking her best? Thanks!"

SATIN BLOOM

JOINER Paul

Lofthouse spends his days dealing with wood – but it's Satin Bloom who gives him even more wood issues when he's clocked off.

Paul, 48, from Stockton-on-Tees, says Prague-born beauty Satin, 29, gives him stiffness when he's miles away from the building site.

He said: "Satin is a stunna, that long dark hair and those come-to-bed eyes are just sensational.

"I work with wood on the job, but when I'm home and spot Satin's 34C's in the Sport I've got a different kind of wood to deal with – know what I mean!"

TRIANA IGLESIAS

AVID Sport reader Lawrence Fry wrote in requesting a photo of stunning babe Triana Iglesias and her jaw-dropping norks.

Lawrence, 54, has been buying the Sport for years and now has a list of his favourite glamour girls – but none come close to 31-year-old Camden beauty Triana.

He said: "I've seen tons of girls with their boobs out over the years in the Sport, but Triana is my number one.

"She's absolutely gorgeous and catches my eye every time I see her – could I have a new photo of her and her 34C boobs?"

BABESTATION's Cam Girl of the Week is drop-dead gorgeous glamour girl Alice Goodwin.

The busty brunette isn't choosy about where she bonks, as long as the mood is right and she's horny!

Alice, 31, from Chester, loves a luxurious surrounding for her ideal romp, but she's more than happy to get jiggy whenever the mood takes her.

She said: "Having sex in the bathroom can actually be better than it is in the bedroom."

"When you've got the mood right, it can keep you occupied for quite a while."

"I really like posh candles and rubbing oils on each other. It feels so luxurious and it's perfect for seduction!"

Sexy

"Let's just say the mirrors will be getting steamed up..."

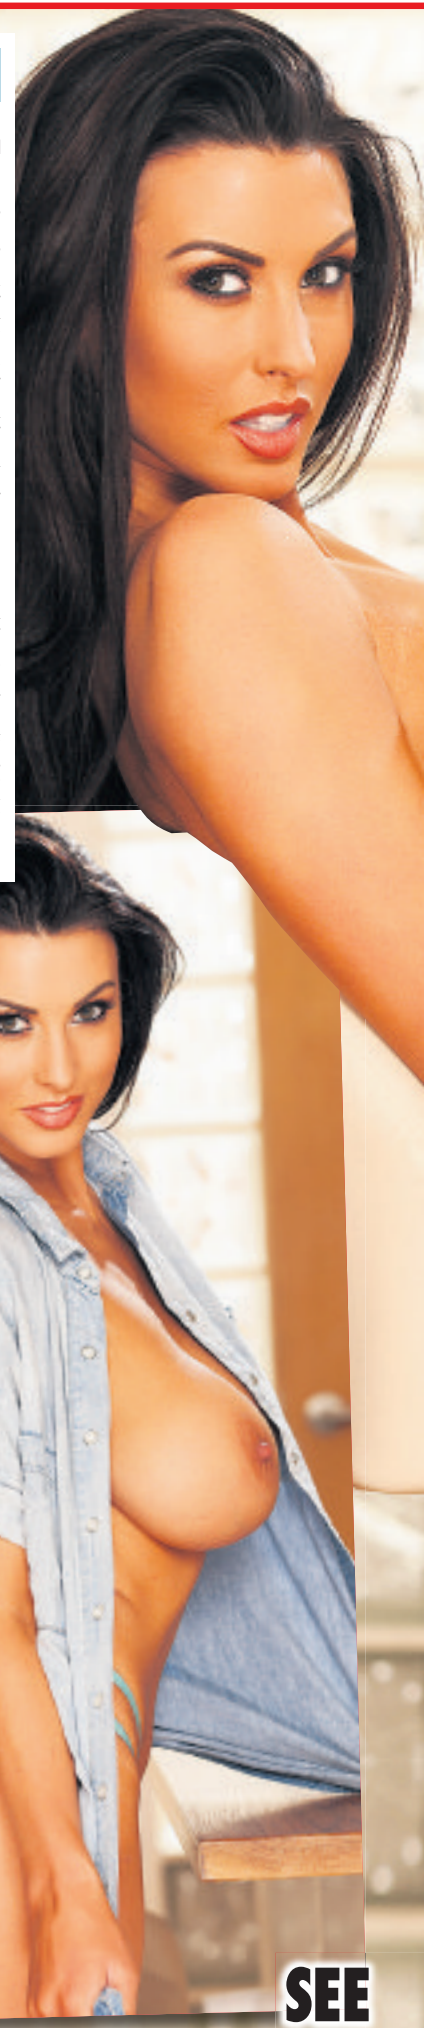

Topless babe Alice had a boob job a few years ago and boosted her norks to a sweater-stretching 32G chest.

And she's more than happy to show them off in sexy lingerie.

Alice added: "I enjoy wearing lingerie that's playful and fun. I always wear a push-up bra if I'm going out – the bigger the better!"

VUNIPOLA DESPERATE TO GET ENGLAND SIX NATIONS CALL

BILLY Vunipola hopes his comeback has changed the mind of England coach Eddie Jones.

The big No8 is desperate to win his place back for the Red Rose for the Six Nations that starts next month.

Jones had used his usual diplomatic skills by saying Vunipola wouldn't be fit in time for the big kick-off.

That's fair enough given how he'd been out of action for four months.

But he looked every inch the international star as

By **BILL HARE**

Saracens took on Wasps at the weekend.

He will get another chance to force his way into the squad when Sarries face the Ospreys in the Champions Cup on Sunday.

Vunipola hopes that will be enough to earn his place in the training squad at least.

He said: "I feel I'll be better for the comeback next week and hopefully, if I can keep going like this, I'll be back to where I was in no time."

"It can be frustrating

being injured but there can be higher powers at work."

"It taught me a huge lesson about looking after myself better in terms of recovery and sleep."

"I thought I did that better this time. Whatever runs for me, I'll just try to smash it."

"If I can convince Eddie I am in the right shape and playing well enough to be picked in his squad, then great."

"I want to play for England as much as I can and I have missed it but right now my biggest focus is playing well for Saracens and hopefully transferring that on to

the big pitch at Twickenham."

Vunipola has been taking desperate measures to get fit again. He even ended his ban on taking ice baths to get back into the England picture.

The big man said: "I used to turn my nose up at ice baths, but I do them now."

"They're only five minutes, although I get bored quite easily so I might jump out after two or three minutes. As long as the intention is there."

Regardless of England, Vunipola is keen to help his club side. He said: "Ospreys

on Saturday is a big game, but the following week there is another big game and then the week after that."

"In the Six Nations, there are the biggest games in the world so there are always big games or small games or whatever you want to call it."

"For us, we need to stick to our process, stick together, have fun and a great time. I thought we had a good time against Wasps."

"We really looked out for each other and when times were hard out there with 13 men that is tailor made for the way we play at Saracens."

DEFEAT: Konta

Jo must go after first round mauling

TENNIS

JOHANNA Konta's defence of her Sydney International crowd ended at the first round.

The British No1 was put out by Agnieszka Radwanska in straight sets.

Konta can count herself unlucky to have met such a good player in the opening round. She has taken some time out of the game so has tumbled down the rankings.

But she was good value for her 6-3, 7-5 victory.

It's not all bad news though as Konta showed no signs of injury through the game after being forced to retire from the Brisbane Invitational last week.

Next on the agenda is the Australian Open where she'll be hoping to at least match the quarter-final spot she grabbed 12 months ago.

Radwanska said: "I'm just so happy to play such a great match before the Australian Open."

"It was a top-10 level match with some ups and downs, breaks along the way."

"The conditions weren't easy, but I'm happy to win in two sets."

Knife

Meanwhile, Andy Murray continues his recover from hip surgery.

The dual Wimbledon champion is targeting SW19 for his comeback.

The Scot had been trying to manage the injury but was forced to go under the knife at the weekend.

While some are predicting the end of Murray's career, he's desperate to get back so his two-year-old daughter can see him play.

He said: "One of the things that I would like to do is play until my eldest daughter is able to watch me and have a small understanding of what it is I've done for my living."

"That's one of the things that motivated me to keep playing. That would be cool if she can come along and watch me practise, just to see what it is I do."

"I like seeing a lot of the other kids when they are on the tour with their parents and get to do a bit of travelling with them when they are at an age when they understand a little bit more about what it is that they're doing."

THE WINNING POST

We're alright Jack!

HENRY Daly's decision to send FLASHJACK (NAP) back over hurdles was clearly justified as he hosed up at Warwick last time out on heavy ground.

After an unsuccessful chasing career, where he struggled to jump with any sort of fluency, his handicap mark plummeted downwards which is why he was able to cash in last time.

A talented hurdler in his novice campaign who reached a mark of 130 at his best, could still be well in if he retains all of the same ability. He runs here without a penalty and with a 7lb claimer on board which should surely make him a good thing.

In the opening maiden hurdle, ZALVADOS looks set to finally break his duck over hurdles after several solid runs. Oliver Greenall's runner

By **BEN MORGAN**

has been running in hot some novice events and also some good handicaps in which he has performed admirably in defeat. With this contest looking a pretty weak event I would suggest that he should be able to gain his first win over the smaller obstacles today.

FARM THE ROCK was in the process of running a big race at Hereford last time until he came to grief at the 11th. He was well backed that day and there seemed to be confidence behind him, despite his profile lacking solid form.

With that said, his run at Wincanton in October looked a half decent effort, and if he can build on that I hope he can hit the frame here. The field doesn't look overly strong for a novice chase at Ludlow and

the likely favourite looks susceptible to an unexposed horse.

The juvenile fillies race looks at the mercy of HILLCREST FIRE who will be looking to bounce back after a below par effort last time in a hot race at Aintree. The ground was bottomless that day in her defence and there were a few surprises so it may be best to ignore that run and focus on her debut where she was most impressive. She beat Shee's Lucky who re-opposes again today and although the latter has a swing in the weights, I don't envisage it being enough to reverse the form.

Stuart Edmunds is no stranger to the winners enclosure at Ludlow and I suspect he may be seen in there again at around 4.15 today.

BARÇA BOY:

Coutinho asks Kop fans to support move

PHILLIPE Coutinho has pleaded with Liverpool fans to forgive him for leaving the club.

The Brazilian hopes they understand why he had to leave for Barcelona — and the Reds got £142million for a player they paid £8.5m for.

Coutinho became the second-most expensive player of all-time when he signed for the Catalans at the weekend. It was a move he's been pushing for since the summer and he wasn't prepared to wait until the season was over.

As is the modern way, he took to Instagram to send a message to Liverpool fans, who seem divided about the Brazil playmaker.

He said: "Since the moment I arrived in Liverpool, me and my family have been made to feel so welcome and have made so many friends."

Character

"On the pitch and off the pitch, we have experienced the beauty of this club and its fans. In turn, I hope I have delivered memories and moments that have brought happiness to the Liverpool supporters."

"Moving to Liverpool, I knew the club's greatness and history but what I did learn during my time was the unique heart and soul of the place. It has its own personality and character."

"I leave Liverpool because Barcelona is a dream for me."

"Liverpool was a dream that I was fortunate enough to realise and I have

LINKED: Mahrez

given five years of my life to it. A career on the pitch only lasts for so long and to play for Barcelona as well as Liverpool is something I want to experience and enjoy while I am blessed enough to be able to do so."

"I hope the supporters understand that choosing to experience something new is not about diminishing their importance to me or the club's importance. Nothing will ever diminish that in my heart."

"I wish Jurgen Klopp and the team nothing but joy and success for the rest of this season and beyond. This is an amazing team and they are getting better and better all the time."

Now the Reds are looking to bring in new players with their windfall.

Despite denials, they are still being linked with a £40m move for Leicester's Riyad Mahrez.

FLOPS NEED MORE TIME

Bayliss defends Lions after 4-0

ENGLAND won't rush to make big changes after their Ashes nightmare.

The Three Lions never came close to winning a Test down under and were lucky to get away with a 4-0 walling.

Many pundits think Joe Root shouldn't be skipper as it's putting too much pressure on him.

And there should be wholesale changes to the batting and bowling line-ups after failing to land a blow against the Aussies in five matches.

Let's hope the one-day side — led by Eoin Morgan — does

By NED TRUEMAN

better over the next few weeks.

For the Test players, their next assignment is a trip to take on an improving New Zealand side at the end of next month.

Being battered by the Aussies is one thing but if the Black Caps also handed out a beating, it would set the alarm bells ringing.

England coach Trevor Bayliss will keep his job until the end of his current contract in 2019.

Amazingly, it was HIM

who decided not to go beyond that date and take the Three Lions down under for another Ashes encounter.

Bayliss thinks this is not the time to start radically shaking up the side.

Blocker

He believes the players who have just come in — like Mark Stoneman, James Vince and Dawid Malan — need more time to find their feet.

In the case of Malan, that is fair enough with him showing signs of being a Test player with some nice innings. But Stoneman looks a

rank average county blocker at the top of the order and Vince keeps slashing outside the off stump and being caught in the slips.

It looks a long road for either of them to become reliable fixtures in the England order.

But Bayliss said: "It's not going to be an overnight success."

"If you bring three or four young blokes into the team it will be a slower process as they learn what the international game is about."

"It's about slowly getting them involved, not necessarily in the team but around

the squad to begin with and filtering them into the team when positions become available or when they force their way in.

"If it is to occur that we're not necessarily as successful as we'd like to be because we're bleeding some young players it's about being able to take it on the chin.

Change

"Hopefully everybody realises we are heading in a certain direction."

Bayliss has been explaining why he's already said he would leave his job in charge of the England international

set-up at the end of next year.

He claims to have made the decision before the Ashes mauling, adding: "I've never been anywhere any more than four or five years in any job I have done.

"Whether you're going well or not I've always felt that round about that four-year mark is time to change.

"A new voice, a slightly different approach slightly reinvigorates things, so I passed that on to him 12 months ago.

"I've got no problem working towards a long-term goal even if I'm not going to be

there. You leave a coaching position hopefully with the team in a better place than when you started.

"Joe Root as the captain will still be there and there's a base of six or seven players that will still be young and good enough to be in the team.

Comfortable

"The captain is in charge, but we're there to help out. Joe is a young captain and I would expect in four years when he comes back, with another four years' experience and an away Ashes under his belt, he'll feel a lot more comfortable."

NO DEAL:
Oumar Niasse

Niasse won't be taking off with Seagulls

BRIGHTON are NOT interested in signing Everton striker Oumar Niasse this month.

Albion had been linked with a move for the hitman who is not part of Sam Allardyce's first-team plans.

With Brighton looking to bolster their frontline, it would have seemed a logical move. But boss Chris Hughton says no bid has been made and there isn't one coming.

He said: "It's a player that, of course, we know, the same as everybody else does.

"If that's come from his side that's nice but certainly it's a name, the same as other names, that would have been mentioned.

"He is a player that at the end of the last window in the summer looked like he might be leaving and lots of clubs were mentioned then. I think ours was one of them."

Brighton are still buzzing after knocking deadly rivals Crystal Palace out of the FA Cup.

Difficult

Dale Stephens scored his first goal for the Seagulls in more than a year during the 2-1 victory.

Amazingly, it was the first time a Brighton midfielder or defender has scored all season.

Hughton is pleased that Stephens has ended his drought.

He said: "I'm pleased for Dale. Probably with how we are in the Premier League it's more difficult for him to get into those type of areas."

"He is very much that type of player, a box-to-box player, but with the system that we play it's a little bit more difficult for him

INJURED: Izzy Brown

to get into those positions.

"I am pleased for him and it is also a goal from a different area of the pitch, which we will need."

The win over Palace was dampened by an injury to key forward Izzy Brown.

The Chelsea loanee limped out of the action just six minutes in with a knee injury.

Hughton said: "We'll see how it is. At this moment he's sore but we're hopeful it's not too bad. I was really looking forward to his performance. It was a really good opportunity for him, so that's taken a little bit of the joy out of winning for me."

And the manager is bracing himself for a tough fourth-round tie against Tony Pulis's Middlesbrough.

Hughton added: "It's difficult. You want a home tie and a team out of the division you are in.

"We have got one of them against a very good team with a new manager who will motivate them."

IN DEMAND: Pritchard

Terriers get teeth into deal for Pritch

HUDDERSFIELD haven't given up hope of signing Norwich midfielder Alex Pritchard.

The Terriers have already had one bid of around £5million turned down by the Canaries.

Now they have gone back with an upped offer of closer to £8m.

Pritchard moved to East Anglia from Tottenham 18 months ago. He has shown the form that saw him come close to breaking into the Spurs first-team.

He missed the first three months of the season with an ankle knock but has been a key part of Norwich's decent form since returning in November.

The player is desperate to get back into the Premier League and that's not going to happen at Carrow Road any time soon.

The Canaries are bang in the middle of the table, nine points of edging into the play-off zone.

He has played 43 times for Daniel Farke's side, scoring eight times.

Doubts

Huddersfield boss David Wagner would love to take him to Yorkshire as he braces himself for a testing second half of the season.

But he is playing his pursuit of the 24-year-old by the book.

The German said:

"Pritchard is not my player, he is a Norwich player.

"I like him, but I have my doubts if he will play for us because I know how expensive British players are in this window.

"If we are able to get some British players in they have to be reasonable prices. At the end it is all about quality.

"If it's one new signing with the quality to help us, good. If it's two, I'll take two. We need to be focused on the quality."

Huddersfield are prepared to go to £11m to get the deal done but Norwich may hold out until the summer in the hope that other clubs come in to force up the price.

If the move happened at £11m, it would give the Canaries a small profit on the £8m they paid Spurs for Pritchard.

He is particularly valuable thanks to his 11 assists from midfield in his time at Norwich.

BLUES HAVE MOR POWER

DANGER:
Alvaro Morata

CHELSEA welcome Arsenal in the first leg of the Carabao Cup semi-final this evening and the Gunners will be keen to put behind Sunday's 4-2 FA Cup defeat at the City Ground Nottingham.

That defeat was the first time Arsene Wenger's Arsenal had failed to reach the Fourth Round of the tournament and I was disappointed with the Gunners.

The Clubs only met six days ago when they played out a second draw in the Premier League this season but the champions are odds on favourites (7/10 with BetVictor) to take a lead back to the Emirates in two weeks' time with the draw 3/1 and Arsenal 4/1.

The last time Chelsea failed to win at least one of the league games between the clubs was back in the 2011/12 season and the Blues have certainly had the best of things between the sides in recent years.

Alvaro Morata had a night to forget at the Emirates last week when he missed three gilt-edged opportunities.

The Spaniard is 18/5 at BetVictor to score the opener and 6/5 to find the back of the net at some stage during the 90 minutes.

I expect Chelsea to win with the recommendation the cham-

Spaniard can fire champs past Arsenal

pions -1 on the handicap at 9/5.

Chelsea are 4/6 to qualify for the final against Manchester City or Bristol City with Arsenal 11/10.

Antonio Conte's side have had three players sent off in the last four games between the sides and with that in mind, BetVictor's 9/2 for the referee to issue a red card looks too big.

Remember many felt Jack Wilshere was lucky not to see red at the Emirates last week.

Look away Spurs fans but we were asked earlier in the week to come up with a market for how much Harry Kane will be sold for – if he ever leaves Spurs. Our football traders at BetVictor came up with:

£151m to £180m inc	5/2
£181m to £210m inc	3/1
£211m to £150m	7/2
£211m or more	7/2
Up to £120m	6/1

Riyad Mahrez is 2/5 at BetVictor to join Liverpool between now and the end of the current transfer window, which looks too short although he has been well supported since Philippe

Coutinho's long-running Barcelona saga concluded at the weekend.

Daniel Sturridge is now 2/1 to join Southampton – loan deals do count – and surely at least one of Sturridge or Danny Ings – 2/1 to join Newcastle – need to play regular first team football especially if the former has any designs on being on the plane with Gareth Southgate's England to Russia this summer.

★ The ground will be on the soft side of good for today's jumps card at Ludlow and the racecourse executive have been rewarded with 87 runners on their seven-race card.

In the opener, Zalvados (12.50) is a long-standing maiden over timber (0-9) but he sets a decent standard and has run very well in defeat in his last two starts in handicap company.

The selection has finished second five times in his nine starts over timber and looks vulnerable to a potential improver, but this doesn't look the strongest of Maiden Hurdles and he is given one last chance for Cheshire

handler Oliver Greenhall and Ian Popham.

The juvenile Comrade Oscar made a horrendous mistake on desperate ground at Fontwell last time but he was rated 80+ on the flat and looks the type to make a hurdler.

Today's better ground will suit and if his jumping holds up – and he is sure to have been extensively schooled post Fontwell – he will be tough to beat.

Marginal preference, however, is for Monbeg Oscar (1.20) who palpably failed to stay three miles at Sandown last time but travelled like the best horse in the race.

The selection had previously finished runner up back at the Esher track behind the progressive mare Maria's Benefit who was receiving 5lbs from Monbeg Oscar.

It is possible that the selection will find things happening too quickly on this tight track, but he will also be most unfortunate to run into a horse as talented as Maria's Benefit.

BREAK: Beardsley

Probe into Beardsley allegations

PETER Beardsley is to take a break from Newcastle as the club investigates allegations of bullying and racism against him.

The former Toon idol is current coach of the Under-23 side at St James's Park.

A club statement said: "After discussions with Peter Beardsley this morning, it has been agreed that he will take a period of leave, to commence immediately, whilst the club conducts its investigation into allegations made against him.

"It would be inappropriate for the club to comment further until the conclusion of this investigation."

Beardsley arrived at the club's training ground to take training as normal yesterday.

But the 56-year-old was called into a meeting with the Toon top brass where the decision for him to take leave was made.

Beardsley has reportedly been the subject of several allegations by members of his squad.

Coleman worried for Cats

SUNDERLAND boss Chris Coleman admits he's finding life frustrating at the Stadium Of Light.

The Black Cats sit rock bottom of the table despite an upturn in form since the former Wales manager arrived.

He has not achieved back-to-back wins though and fears that could spell disaster.

Coleman said: "That's the frustration. We're not getting walloped each week and then when we win, we think 'this is it'.

"We must start putting runs together, back-to-back wins to make the table look better and it gives you confidence, but we haven't done that all season.

"There's a lack of belief and key areas where we must improve with a little bit of help from outside."

Sunderland are looking for their first win of 2018 and were poor in the FA Cup against Middlesbrough at the weekend.

Potters will stay up says sacked Sparky

HUGHES CONFIDENT SQUAD IS GOOD ENOUGH TO BEAT DROP

MARK Hughes says there's no way Stoke will be relegated this season.

The sacked Potters boss has backed his former club to steer well clear of the drop zone.

The Welshman was sacked on Saturday night after Stoke's embarrassing 2-1 FA Cup third round defeat at League Two Coventry City.

That was the final straw after a run of defeats saw the Potters drop to 18th in the table.

Hughes has made it clear

By **JOHN ANTHONY**

that there's no hard feelings as he leaves the Bet365 Stadium.

He said: "I wish to thank the Coates family and the board, for all of their support during my four-and-a-half memorable years at Stoke City."

"Together, we have enjoyed four successful campaigns including three consecutive ninth placed finishes, the highest position the club has reached since 1975."

"I will always be very proud of this achievement

and I'd like to thank my coaching staff, the players and everyone at Stoke City for their hard work during my time as manager."

"Although so far this season we haven't matched the high standards set in previous years, I remain confident that performances and results will improve in the second half of the season."

"Finally, I'd like to wish the club and its loyal supporters success and good fortune in the future."

"I look forward to the next challenge in my management career."

Now the scrambling starts

to find a new manager for the struggling Potters.

So far, the list of potential candidates is not the most inspiring.

Former West Ham gaffer Slaven Bilic has come in for support with the bookies, along with Ireland manager Martin O'Neill.

Neither of those names will get pulses racing in Staffordshire.

Stoke skipper Ryan Shawcross believes it doesn't matter who the boss is — the players are the ones who need to sort things out at the club.

He said: "I think we all

have to look at ourselves in the mirror."

"As players, we haven't performed well enough, and maybe the manager will look back at things and be disappointed too."

"It isn't a blame game, but there are obviously a lot of things that need to change if we are to move into a better place in the table."

"The next week, leading up to the Manchester United game, is huge for us."

First-team coach Eddie Niedzwiecki has been put in temporary charge ahead of the weekend trip to Old Trafford.

ON LOAN: Nkoudou

You will Nkoudou for us say Clarets

BURNLEY have signed Spurs winger Georges-Kevin Nkoudou on loan until the end of the season.

The wideman has not figured for Tottenham in the Premier League this season — but the club think he has a future in London.

Boss Mauricio Pochettino would like him to get some first-team experience and is happy for him to join the high-flying Clarets.

The 22-year-old is not likely to join Burnley on a permanent basis and could make his debut against Crystal Palace at the weekend.

Nkoudou moved to Spurs from Marseille in August 2016.

He has mainly been restricted to League Cup appearances since.

He was drafted in for the Champions League dead rubber against Apoel Nicosia before Christmas and scored.

Meanwhile, Tottenham left-back Danny Rose is winning his fitness battle to face Manchester United at the end of this month.

Assess

The England defender has missed three games with a knee injury.

It was thought that the 27-year-old may be out for the rest of the season as his run of bad luck with injuries continues.

But the problem should be sorted out by the time United come to Wembley on January 31 for a vital game in the chase for the Champions League positions.

Pochettino said: "After the game against Southampton it was impossible to train and now we are going to assess him."

"Then the club will give information about what has happened."

"Always you are worried because you want the players available and fit to play, so you can make your decision."

"But we need to wait and we will assess him properly."

"I am concerned about everyone when they cannot be available to play."

"Sometimes it is small things. You know in this situation we cannot manage because I am not a specialist. I am not a doctor."

City want new faces in time for Liverpool

MANCHESTER City are trying to pull off a double transfer coup in time for this Sunday's Premier League clash with Liverpool.

Boss Pep Guardiola would like to secure the signings of Arsenal hitman Alexis Sanchez and West Brom stopper Jonny Evans before the crucial trip to Anfield.

The only potential sticking point in the Sanchez deal is the size of the fee the Gunners are looking for. City have been quoted a hefty £35million for a player they can have for nothing in the summer.

Guardiola WAS happy to wait for the Chile ace but an injury to Gabriel Jesus has forced his hand a little.

The Mancunians would like to pay closer to the £15m it cost Chelsea to get Ross Barkley from Everton just before his contract expired.

Arsenal boss Arsene Wenger is trying to maintain there has been no contact between the clubs over Sanchez.

IN A HURRY: Guardiola

make the move and would like it to happen immediately.

It's just a case of whether Arsenal want the money or to make City wait until the season is over.

As for Evans, it looks more of an open and shut case that the West Brom centre-back will be a City player — despite his Manchester United history.

Although Guardiola is keeping quiet, Wenger has been spilling the beans as he would like to sign the Northern Irishman.

He said: "We need to see off any interest of any other clubs, yes, and I don't know if Man City is in for him as well."

"I don't know what is their policy. If the decision comes to finances with Man City we know we will be second best. That is well known."

"The best is not to talk. We do not have any agreement with anybody."

being senile, a little man and a fake.

Conte says he cannot wait to eyeball Mourinho when the teams meet at Old Trafford and is happy with his conduct in the whole saga.

He added: "Do I have this look, a person that regrets? I don't think so. We both said things and we will see what happens in the future."

Conte was asked if the League Managers' Association would be required to intervene in the row.

He batted that one away, saying: "I think it's not im-

portant the Association — he said serious words, used serious words."

"I won't forget this."

"This is not a problem from the club. It is a problem between me and him. I stop."

Moving

The row has taken the focus off matters on the field where Chelsea take on Arsenal in the first leg of the Carabao Cup semi at Stamford Bridge tonight.

New signing Ross Barkley will NOT be making his debut against the Gunners a week after moving south from Everton for £15million.

The midfielder has had just a couple of training sessions with his new team having not played since last seasons. That makes it too soon to be thrusting him into battle.

Conte confirmed: "It is very soon for him. We must be pleased because his physical condition is good and he is starting to have the training session with us and understand our idea of football."

"We must be pleased, but he needs a bit of time."

"His condition is good, very good. I don't know when he will play."

"But I am very positive, he

is a good guy and is showing a great will to work and desire to help us very soon.

"This is very positive and I am very happy to have Ross with us for the rest of the season."

Condition

There is better news for the Blues about Eden Hazard.

The Belgian missed the weekend FA Cup draw with Norwich after picking up a calf injury.

He has trained well since and is expected to line up against the Gunners.

Conte said: "Hazard is in a good condition. He is in con-

tention to play in the game against Arsenal."

The north Londoners have a point to prove after crashing out of the FA Cup against Championship side Nottingham Forest 4-2.

While he clearly can't stand Mourinho, Conte has a lot more respect for Gunners chief Arsene Wenger.

He doesn't agree that the Frenchman is under pressure thanks to the bad result at the City Ground.

Conte said: "You are talking about a team and a manager who won a lot in the past, I don't think he has a lot of pressure because they lost

a game against Nottingham Forest."

Chelsea and Arsenal drew 2-2 in the Premier League at the Emirates last week and there should be more goals tonight.

Conte expects plenty of attacking football.

He said: "Both teams will try and attack. We want to try and do our best and reach the final but, at the same time, Arsenal want to do the same on the pitch."

"We could rotate some players because we are still trying to win the title. It is a balancing act because it is a semi-final."

Iwobi to cop £60,000 fine for partying

ALEX Iwobi is facing a £60,000 fine after being pictured at a late-night party 48 hours before Arsenal's FA Cup exit at Nottingham Forest.

The 21-year-old was filmed in Soho at 2.30 on Saturday morning before playing the 90 minutes losing 4-2 against the Championship side.

Wenger was set to quiz the midfielder about the incident last night with a fine of two weeks wages on the line.

The Gunners boss said: "If that is true, he will be fined. It is impossible to go out 48 hours before a game. It's unacceptable. I will have to of course see him to see if that is right or not."

"First of all you have to be cautious with the news coming out, when you read what is reported it is like he has taken drugs."

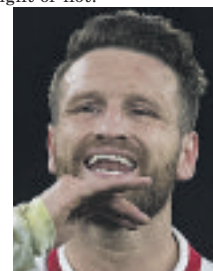

"He is not involved in that at all, he has been out at a birthday party. How long has he stayed? That is important. After, I will decide what happens."

Prepare

The reports suggested that other partygoers were smoking cannabis but Wenger seems laid back about it.

He added: "If your neighbour takes drugs, what can you do about it? You are responsible for your behaviour, not for the behaviour of your neighbour."

"How did it affect his performance? Who knows that? You must have played football, you know that sometimes you want to prepare 100 per cent but sometimes it is not a guarantee that you

will be at your best. But that is what is requested from a top-level professional."

Either way, there seems little chance of Iwobi playing against Chelsea tonight.

Granit Xhaka and Shkodran Mustafi are fitness doubts for Stamford Bridge.

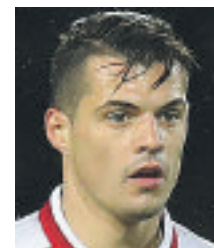

Wenger is looking for a response to the Forest cock-up.

He said: "We won the FA Cup three times in the last four years and you can expect it will not happen every year."

"We haven't produced a performance you would expect in the third round of the FA Cup. I must say, it's the first time it's happened in 21 years."

"Overall, I believe we have been very consistent even if I am very disappointed by some individual performances."

"Defensively we have not had the stability that we need."
